

# ONTARIO ECONOMIC DEVELOPERS GATHER IN NORTH BAY FOR FILM INDUSTRY INSIGHTS

On June 19th and 20th, economic development professionals from across the province will converge in North Bay for an exclusive EDCO regional event. The event will consist of the following speakers and discussions centered around the economic impact and community benefit of the film and television industry:

- Hon. Minister Vic Fedeli will share insights into the impressive growth of Northern Ontario's film industry, shedding light on its impact on our economy.
- Ontario Film Commissioner, Justin Cutler will take center stage to discuss the remarkable expansion of Ontario's film industry, offering a glimpse into its exciting future.
- Panel Discussions with industry experts exploring strategies for creating a community that welcomes filmmakers. Attendees will also learn about the growing importance of sustainability in the film industry.
- Behind-the-Scenes Set Visit showing attendees movie-making magic up close. This immersive experience will highlight the tangible impact that film production has on local businesses, suppliers, and skilled workers.

This two-day event will highlight North Bay's success story and showcase how the film and television industry can drive economic development and prosperity for communities across Ontario.
